

ANTI-BULLYING POLICY

OVERVIEW

This policy is based on DfE guidance “Preventing and Tackling Bullying” July 2017 and supporting documents. It also considers the DfE statutory guidance “Keeping Children Safe in Education” 2019 and ‘Sexual violence and sexual harassment between children in schools and colleges’ guidance. The setting has also read Childnet’s “Cyberbullying: Understand, Prevent and Respond: Guidance for Schools”.

This policy links with several school policies, practices and action plans including:

- Attitude, Behaviour and Discipline
- Complaints
- Child Protection and Safeguarding
- Confidentiality
- Online Safety
- Acceptable Use (AUP)
- Mobile Phone and Handheld Devices
- Social Media
- PSHE and Computing

There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These include:

- The Education and Inspection Act 2006, 2011
- The Equality Act 2010
- The Children Act 1989
- Protection from Harassment Act 1997
- The Malicious Communications Act 1988
- Public Order Act 1986

- Bullying can include name-calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.
- This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Bullying is recognised by the school as being a form of peer-on-peer abuse. It can be emotionally abusive and can cause severe and adverse effects on children’s emotional development and health and wellbeing.

FORMS AND TYPES OF BULLYING COVERED BY THIS POLICY

Bullying can happen to anyone. This policy covers all types and forms of bullying including:

- Bullying related to physical appearance
- Bullying of young carers, children in care or otherwise related to home circumstances
- Bullying related to family disadvantage or poverty
- Bullying related to physical/mental health conditions
- Physical bullying
- Emotional bullying
- Sexual bullying
- Bullying via technology, known as online or cyberbullying
- Prejudicial bullying (against people/pupils with protected characteristics):
- Bullying related to race, religion, faith and belief and for those without faith
- Bullying related to sexual orientation (homophobic/bi-phobic bullying)

SCHOOL ETHOS

Norwood Primary School recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing. By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.

Our Community:

- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Deals with all cases of bullying regardless of a child's SEND. However, we are alert to the fact that a pupil's SEND may lead them to display bullying behaviours and so we deal with each case according to its circumstances. (See Special Arrangements or Circumstances section of the Attitude, Behaviour and Discipline policy)
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the anti-bullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy.
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.

RESPONDING TO BULLYING

The following steps will be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The Designated Safeguarding Lead (DSL), Deputy DSL or another member of leadership staff will interview all parties if bullying is suspected.
- The DSL will be informed of all bullying issues where there are safeguarding concerns.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with Child Protection and Confidentiality policies.
- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including Early Help or Children's Social Care, if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is investigated as

fully as possible. If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's Attitude, Behaviour and Discipline policy.

- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

Cyberbullying

When responding to cyberbullying concerns, the school will:

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
- Take all available steps, where possible, to identify the person responsible. This may include:
 - looking at use of the school systems;
 - identifying and interviewing possible witnesses;
- Contacting the service provider and the police, if necessary
- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation.
- Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
- Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and the school Attitude, Behaviour and Discipline policy (Section on Searches).
- Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as seeking any additional help that they may need.
- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
 - advising those targeted not to retaliate or reply;
 - providing advice on blocking or removing people from contact lists;
 - helping those involved to think carefully about what private information they may have in the public domain.

Supporting pupils

Pupils who have been bullied will be supported by:

- Reassuring the pupil and providing continuous pastoral support.
- Offering the opportunity to discuss the experience with their teacher, the Designated Safeguarding Lead, or a member of staff of their choice.

- Providing appropriate education and support regarding their behaviour or actions.
- If online, requesting that content be removed and reporting accounts/content to service provider.

- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance;

PREVENTING BULLYING

Environment

The whole school community will:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others, which will be upheld by all.
- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).
- Recognises the potential for children with SEND to be disproportionately impacted by bullying and will implement additional pastoral support as required.
- Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.
- Challenge practice and language (including 'banter') which does not uphold the school values of tolerance, non-discrimination and respect towards others.
- Be encouraged to use technology, especially mobile phones and social media, positively and responsibly.
- Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.
- Actively create "safe spaces" for vulnerable children and young people.
- Celebrate success and achievements to promote and build a positive school ethos.

- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

Education and Training

The school community will:

- Train all staff, including: teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the school's policy and procedures, including recording and reporting incidents.

- Ensure anti-bullying has a high profile throughout the year, reinforced through key opportunities such as anti-bullying week.
- Provide systematic opportunities to develop pupils' social and emotional skills, including building their resilience and self-esteem.

INVOLVEMENT OF PUPILS

We will:

- Involve pupils in policy decision making, to ensure that they understand the school's approach and are clear about the part they play in preventing bullying.
- Regularly canvas children and young people's views on the extent and nature of bullying.
- Ensure that all pupils know how to express worries and anxieties about bullying.
- Ensure that all pupils are aware of the range of sanctions which may be applied against those engaging in bullying.
- Involve pupils in anti-bullying campaigns in schools and embedded messages in the wider school curriculum.

- Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.
- Ensure that parents work with the school to role model positive behaviour for pupils, both on and offline.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively, to raise concerns in an appropriate manner.

MONITORING AND REVIEW

The school will ensure that they regularly monitor and evaluate mechanisms to ensure that the policy is being consistently applied. Any issues identified will be incorporated into the school's action planning. The Head Teacher will be informed of bullying concerns, as appropriate.
