## CAPTAINS GET A PEEK OF NEW FRONT

Ten of Norwood's Year 6 Captains attended a presentation for the Southport Learning Partnership about the Regeneration Project, taking place behind the safety hoardings at the Southport Waterfront. With the school councils of other Southport schools, the children were shown the plans for the future of the Waterfront area by the lead architects and given a great insight into what architects do. They learnt about the design process, facts about tourism and the job opportunities created. Following this they were able to get creative and submit their designs for a competition, "I Love Southport", which will be displayed on the hoardings within the next year. As always they were all superb representatives!

## LYDIA AND FILIP ARE AWARDED BLUE PETER BOOK BADGES

Back in Issue 2 – 15th September's newsletter, we made children and parents aware of the simplest way to earn a Blue Peter badge. Congratulations go to Filip T. in Year 4 and Lydia G. in Year 6 who both have been successful in gaining this brilliant Book Badge designed by the legendary Sir Quentin Blake. How fabulous that is for both of them – they did really ASPIRE!

## PLEASE SUPPORT OLIVER IN HIS CHARITY FUNDRAISER

Anyone who has visited 6D over the last couple of weeks will have wondered why Oliver M. has had all his hair shaved off. We are now delighted to reveal that he is doing it all for charity and to support his auntie! Oliver's auntie, Eden is undergoing treatment for a rare form of cancer, which has caused her hair to fall out. Oliver decided that he didn't want her to feel alone (his words) and is going to keep shaving his own head until Eden's grows back. How amazing is that? If you would like to donate or sponsor Oliver's head shave in support of the treatment Eden needs, please see the link below:

## LOST PROPERTY

Once again we have a mountain of sweatshirts and coats on our Lost Property trolley in the front office  
ALL UNNAMED!

Items still unclaimed at the end of the term will be donated to local charities.

In this cost of living crisis and with the price of sweatshirts and coats, it seems an incredible waste of money!

## A SAD GOODBYE!

Unfortunately after 10 years with us as a superb Teaching Assistant, we are having to say a really sad goodbye to Mrs. Oliver, who is soon to be starting a new job much closer to home. Mrs. Oliver has always

demonstrated what a caring, hard working and supportive member of staff across all year groups and she is going to be greatly missed!

## USING THE CAR PARK

Recently we have noticed an increase in cars entering the car park at the start and end of the school day.

This is extremely dangerous as children and parents from Norwood and Holy Family are trying to cross the entrances.

There is enough space outside school on Norwood Crescent and beyond for cars to be parked and children to be escorted to school.

**PLEASE SUPPORT US BY NOT USING THE CAR PARK.**
