WELCOME BACK TO A NEW SCHOOL YEAR

I would like to take this opportunity to welcome everyone back for a new school year after the first few days. Naturally I hope everything has gone very well despite the incredible heat we have had.

I am delighted to see how smart and united the vast majority of children are in their school uniform. Information was sent out in July about the expectations and also that we are going to continue with a firm policy on the correct uniform. Before the summer we were able to support so many families by offering preloved high quality uniform for purchase at a low price. We have also continued to have set dates for PE, which means children should come to school in their PE kit on these days.

Footwear **MUST** be black sensible shoes (*minimal heel*) or *black or predominantly black, sensible trainers (no fashion or thick soled trainers)*.

Over the summer the school has, as always, had a deep clean from our Premises and Housekeeping team and the contract cleaners, Chores. The school looks wonderfully well presented and fresh after staff have been busy getting classrooms ready for the new term over the weeks. The INSET days saw all staff having updated Safeguarding training as well as reminders on our Health and Safety procedures, which we used today for our first evacuation drill of the year.
