SUMMER READING CHALLENGE UNVEILED

The Summer Reading Challenge “MARVELLOUS MAKERS” was launched in Norwood this week by Southport Library staff to promote a love of reading and encourage you to escape during the summer into the world of books, especially sports and games.

Norwood pupils always take part with great enthusiasm in this annual reading event. This year can also get involved with some science fun too.

To be involved and in order to read six library books, go along to Southport library and sign up to go on the adventures, collect awesome rewards and receive a special certificate once you have completed the challenge. Children’s University credits are also included!

CONGRATULATIONS LOTTIE

Year 5 Art Club once again entered the Dot Art Competition for Merseyside schools. Choosing the theme of 'Space' because they had been reading the book 'Cosmic', the children made their pieces of art using acrylic paint and collage. Lottie D, William H and Isla D-R were selected as Norwood’s entries and invited to attend the award ceremony at St. George’s Hall in Liverpool. Well done to Lottie, who was chosen as Norwood’s overall winner and had her art displayed with all the other Year 5 and Year 9 winners from schools in the merseyside region. We would also like to thank all the children from Year 5 who entered the competition. Their art work looked amazing and they certainly ASPIRED and ENJOYED.

LOST PROPERTY MADNESS

Currently we have a mountain of clothes in our Lost Property area in the front office, all with no name in.

This includes brand new school sweatshirts and cardigans, as well as some expensive looking coats.

Lost Property is available at any time for parents to explore, but will be positioned outside of the school office at the start and end of the school day for the next week.

Items still unclaimed at the end of the term will be donated to local charities.

THE ARTS FESTIVAL STARTS ON MONDAY

Norwood’s Arts Festival, which has been held every three years for at least the last thirty years, is starting on Monday.

This will be a celebration of the Arts and will enable classes to move away from the usual curriculum timetable and explore Arts activities. This year’s theme is Celebrations around the World

Performers will be on the playground, for children and parents to enjoy as they arrive at school between 8.20am and 8.45am. Year 5 and 6 children are allowed onto the playground to watch too.

Monday - Year 6 singers and Abby & Evan
Tuesday - Brooke Shotton and Hayley Tan
Wednesday - Wake Up Shake Up
Thursday - Heather Gomersall
