YEAR 4 LEARN ABOUT SAVING LIVES

Year 4 had a wonderful time learning all about how to save lives this week. Southport Saviours, a local charity who purchase and install defibrillators in the area, came into school and taught the children how to administer CPR and how to use a defibrillator. As well as this, Year 4 were taught how to help someone who is showing signs of choking. It was an absolute pleasure to have the volunteers from Southport Saviours and we look forward to welcoming them again.

GREAT EFFORTS BY OUR INDOOR ATHLETES

Norwood's indoor athletics team were strong competitors at this week's Southport and Formby District Indoor Athletics Championships at Greenbank High School, showing great spirit and enthusiasm in the running, throwing and jumping events.

Being up against such other competitive large schools was always going to be a challenge, but the athletes acquitted themselves brilliantly, especially in their brand new athletics shirts.

Mrs. Stewart has been delighted with the commitment and enthusiasm of all the team through the weeks of training at Stanley and especially in the competition itself.
